

From page 48 (Personal Health Record 2003)

Before your baby's first health check

The following article is produced by NSW Department of Health.

	Yes	No	Unsure
<i>Answer these questions before you visit your nurse or doctor.</i>			
Do you have any concerns about your baby?			
Is your baby startled by loud noises such as a loud clap?			
Has anyone in your family had a history of early deafness (under 3 years)?			
Has anyone in your family had a history of early eye problems (under 5 years)?			
Has anyone in your family had a history of any other health problems?			
Is there a family history of congenital dislocation of the hip?			
Was your baby born by a breech birth?			

You may wish to talk to your doctor or nurse about the birth of your baby and how you feel emotionally and physically.
