Interpreter Required Card

My name is _____

I need an interpreter. I use **Auslan**

Please book a Professional Auslan Interpreter for me.

What can an Interpreter help me with?

- Understanding information related to my treatment
- Asking doctors, nurses and other health staff questions about my care
- Making sure that doctors and other health staff understand my decisions or comments about my health care

This card is a joint project of NSW Multicultural Communication Service,
NSW Health Care Interpreter Services, WSLHD Multicultural Health and Translation Service
